SWIFT SUMMER Reading Challenge

One of the best things you can do over the summer is READ! Reading can be a time to relax, to get together with friends, enjoy being outside, or a way to end the day with family. No matter how you choose to do it, remembering to read over the summer will help you next year!

Some of you are still learning how to read words. You can ask an adult to help, or you can read the pictures and come up with a wonderful story!

This summer, to encourage a love of reading in many creative ways you can play summer reading BINGO and take part in the Swift Summer Reading Challenge! Each time you read you can check off one or more of the small boxes. Try to check them all off before school starts in September!

*Anyone who returns a completed BINGO card by **September 18th** will get to enjoy a special snack and a prize!*

Hooray!! I finished the Swift Summer Reading Challenge!!!
